Inspiring your Christmas

We would like to share this Christmas holiday with you doing what you like best: **Robotics or Art.**

If you don't know them already, we'd like to introduce our coaches, artists and specialists in robotics:

✓ **Robotics:**
Organised by Ingenio Kids, taught by Ángel Fuentes.

✓ **Art:**
Taught by painter Inmaculada Martínez.

What do I need to bring?

All children should bring a morning snack each day.

✓ **Robotics:** Pupils do not need to bring anything.

✓ **Art:** Pupils will need to bring a smock or wear clothing that may get stained.

Behaviour rules

In order for the *Healthy* to be a good experience and for all of the children to get the most out of them, our expectation is for all children to be respectful at all times with school staff and with classmates, according to the school's usual policy.

Children may not bring electronic devices to the camp. The school will accept no responsibility for any electronic devices or valuables that are lost or damaged.

School bus transport

The school provides a free bus transport service covering the Gran Vía roads in Valencia.

Please check bus stops and timetables on the registration form.

Arrival and collection of children

The arrival and collection of children will take place in the car rooms. They will open at 9:30am and will close at 9:45am.

In the afternoon, children are to be collected from 4:40pm and until 5:00pm.

Coaches and support staff will monitor the children.

Class 153

Communication with school

Main School Reception: **961 424 500**

It is very important that you contact the Main School Reception if you need to collect your child outside of the normal time, or if for any reason your child will be late or absent.
